Happenings APRIL 2024

1st April 2024 - In view of the growing concerns regarding the health challenges faced by young individuals encompassing physical, mental, psychological, and emotional aspects, ARYAN BHAGAT ACADEMY FOR YOUNG PEOPLE'S HEALTH is established at HCF hospital. Dedicated to addressing the health needs of the youth, the academy offers comprehensive health check-ups, medical Gym facilities, and health awareness programs.

2nd April 2024 - A Pottery workshop was organised for Special Children at HCF C P Unit.

5th April, 2024 - HCF organised a Diagnostic camp for children with delayed development at Thaltej CP centre in association with RBSK doctors of south west and north west zone. The camp was highly successful with good number of participation.
