Happenings-August 2024

Janmashami was celebrated with full enthusiasm and fun at CP unit on 23rd August 2024

HCF Hospital is delighted to celebrate Janmashtami on 23.08.2024 with more than 20 children along with staff of Cerebral Palsy Unit. This contribution not only honors the auspicious occasion but also strengthens our commitment to providing specialized care for children with cerebral palsy. We extend our heartiest gratitude to all for support, which make a significant impact on the lives of our young patients.

Decorations was done by children and staff of CP Unit. Children dressed up well as Radha, Gopi, and Krishna. Program started with Aarti, then children and staff together played Garba and also took part in Matka Tod program. After Aarti children were offered with Prasad and snacks.

Comprehensive training and awareness Program was organised at HCF Hospital involving the dedicated health workers known as Arogya Sakhi of SEWA, and representatives from HCF Hospital.

On 31.8.2024 an Awareness Program was organised at HCF Hospital involving the dedicated health worker women, known as Arogya Sakhi of SEWA, and representatives from HCF Hospital. In the program, their responsibilities like health education, maternal and child healthcare, immunization drives, monitoring of chronic illnesses were mentioned and they were motivated to act as bridge between the community and healthcare facilities. During the meeting, HCF Hospital provided comprehensive information on breast cancer and cervical cancer, emphasizing the importance of early detection and regular screenings. The Arogya Sakhis were equipped with the necessary knowledge and resources to assist in ongoing health camps, where they will work closely with HCF Hospital team to ensure that these critical services reach the most vulnerable populations in the community. Their involvements are instrumental in fostering a healthier community through education, early intervention, and support.
